Manitou Island Transit (MIT) is authorized by the National Park Service and U.S. Department of the Interior as a park concessioner to serve the public within Sleeping Bear Dunes National Lakeshore.

MIT offers boat transportation between Leland Harbor and North and South Manitou Islands and tours of South Manitou Island from their open air vehicles. Evening shoreline cruises along the coast are also available. A variety of narrated sightseeing cruises, island shuttles, and charter trips to the islands and offshore locations throughout the National Lakeshore is available

Daily trips provide visitors with boat transportation services to the islands, where you can visit a lighthouse, hike, picnic, bird-watch, or explore natural and cultural areas on your own.

Other cruises are available in the afternoon and evening with the opportunity to see sunsets, lighthouses and miles of sandy shoreline and dunes. For a complete schedule of this year's cruise offerings, visit their website at www.leelanau.com/manitou.
